WV PAGES is a newly formed parent group at Waubonsie Valley. PAGES was established to help close the achievement gap and advocate for the needs of the African American students at Waubonsie Valley. We meet on the first Monday of the month at 7pm. Please join us in making a difference in the lives of our students.

Over the past two years PAGES has trained parents to use school systems such as Naviance, Home Access and Google Classroom, offered reduced cost ACT prep, meet with district officials to discuss equity, stressed the importance of enrolling in AP courses, promoted BSA college visits, exposed students to STEM research opportunities and sponsored holiday parties. We look forward to enlisting your help to build upon our successes.

Join PAGES today and stay informed of all the PAGES activities and opportunities throughout the year.
